

Welcome Valued Vendor,

We (the Spring Jamboree Committee) are excited to say that due to vendor feedback some changes have been implemented for the upcoming May 6th & 7th, 2023 Southern Nevada Gem and Mineral Society (SNGMS) Gem, Mineral, Lapidary Arts & Jewelry show in conjunction with the Boulder City Spring Jamboree. First of all, we realize that this vendor packet is being sent out quite a bit earlier than in the past, but we are trying to be as accommodating as possible. There will be three different booth sizes for the 2023 event which are 6'x10' - 10'x12' - 12'x12' with various prices, as have been requested. We are looking into a different table supplier for next year's event. We are also thrilled to be utilizing both rooms again with a vendor count of 40 for this coming year.

The Spring Jamboree Committee is pleased to volunteer its time and talents to continue to make this a great event. We are dedicated to promoting in multiple ways, such as continuing our affiliation with the Boulder City Chamber of Commerce. For those that would like to follow us on Facebook, we are under "SNGMS". Our internet/media specialists have done a fantastic job of promoting everything concerning the Southern Nevada Gem and Mineral Society and our events. Distribution of rack cards/flyers for the 2023 event begins this month in Reno and we have some great volunteers that are willing to take flyers with them wherever they go. Rack cards will also be given to local businesses (ie. Libraries, Art Supply, Rock, Gem and Jewelry Stores) in the months prior to the event. If you would like to distribute rack cards, please let us know so that we can provide you with some. We have also been approved for more large banner signage placed around the actual Spring Jamboree Event. We will be allowing more nonprofits to set up tables (no selling allowed) outside to help visually promote our location. We are also hoping for a classic "rock" radio station to be out there as well (on the south side so as not to interfere with our vendors).

We hope that you like all of the changes we have implemented as per our loyal vendors' requests and feedback.

Thank you,

Your SNGMS Jamboree Committee

Hello My Friend,

You have the chance to select the booth of your choice, but it will be first come first served with other vendors. Once full payment is received, the space is reserved. If the booth of your choice has been previously selected you will be notified as soon as possible so you can select another booth. Please reach out to me concerning booth availability updates. The vendor packet including all pertinent information is attached below.

If you have any questions please don't hesitate to contact me. I am looking forward to working with you to make this a wonderful event.

Have a blessed day!!!
